My adventure here is more than half over now, and that makes me rather sad. Of course I still have a lot to do before I go, but knowing that the time to leave is coming... I really don't have the words to express my true affection for Paris. Yet, I know I'll be back again someday, and I have a lot to get back to in Canada that won't wait forever.

I'm on a free period, and I know everyone has been dying to hear more about Paris, so here goes. ^-^

My weekend was amazing. Saturday night after I posted, I met one of Ammy's friends, Sandra. He was so excited to talk to me, told me I was beautiful, and other fun stuff. We talked for a bit, and his energy was really refreshing. He was just so...spirited.

After that, we went bowling. I did horribly, but had a blast anyway. At least there was no me flying down the lane with the ball attached to my fingers
